

June 13th, 2019

Dear potential parade participant:

My name is Fred Muise and I am very excited to announce that after a three-year hiatus the SEAFEST PARADE is going to take place on Saturday July 20th beginning at 630pm. We want you to help us mark the return of the parade by entering in a float to show your community spirit as we celebrate Seafest together. This year's theme is "Explore our Shore".

The parade will begin on Argyle Street and head north on Main Street and we'll conclude by turning off Main Street and onto Shaw Ave. As this concludes our parade, you'll be free to go.

There are a few safety requirements we'd like to bring to your attention. Every vehicle in the parade must be insured, registered, have a current inspection and must be driven by someone with a driver's license. We'd also like to remind you that you are able to distribute candy etc. however you can't throw anything toward the crowd.

We desire that the SEAFEST Parade will once again be an exciting component of our annual activities. We know this is possible when community organizations, businesses, non-profits and community members, like yourselves, realize the value, positive impact and the lasting memories a parade will have for all involved.

We look forward to seeing your float in our 2019 SEAFEST PARADE!

Sincerely,

Frederick L. Muise

Fred Muise
Parade Coordinator

2019 Seafest Parade Registration form

Applicate: _____ Organization: _____

Mailing address: _____

Email Address: _____ Telephone: _____

Number of participants in your float: _____ Age of youngest member of your group: _____
