

## INUKSUK CONTEST

The Seafest 2020 Inuksuk competition is aimed at creating new Inuksuit. Existing works may be entered, providing they meet the rules stated below, but priority will be given to new works. The competition is open to all permanent and summer residents of the Town of Yarmouth and the Municipality of the District of Yarmouth. Works do not have to be permanent.

1. ALL NATURAL MATERIALS – No plastics, metals or other man-made materials may be used. Any wood must be in its natural state. No manufactured paint or other colourings may be used.
2. NO ADHESIVES – No sort of glue, cement or mortar may be used in the design.
3. NO POWER TOOLS OR EQUIPMENT – The work must be assembled without use of any electrical, motorized or hydraulic tools or equipment. Non-powered equipment, such as winches, levers or block & tackle is acceptable. Use of motor vehicles to transport materials to the building site is also acceptable.
4. In the interest of safety the maximum height of the work may be no greater than 2 metres (6 feet, 6 inches) from ground level to top.

A maximum of four people may make up one Inuksuk-building team. All entrants must pick up and complete an entry form from the Seafest office (Killam Bros. Building, Water St.) or download the form from the Seafest website. Entry forms may also be submitted by email.

The competition opens on the first day of Seafest, July 15. All entries must be received by noon, August 7. Entries will consist of a photo or video of the completed work submitted in person or by email. The judges will then select three finalists from the submitted entries for on-site judging. First, second and third place winners will be announced at noon on the last day of Seafest, August 14.
